WELCOME

The Senior Scramble Newsletter is a weekly publication to keep you informed about what's going on at our Monday and Tuesday Senior Scrambles. Twice each week, Seniors 50+ can come out to play in a 2-Person Scramble. There is no league fee required and each event is \$26 per player for 18 holes with a cart; \$3 of which goes towards a contribution for the cash prize pool and \$2 towards coffee and donuts. Registration begins one hour and thirty minutes prior to tee off for the shotgun start. Upcoming shotgun start times are listed below.

Senior Skins Frequency

Last week we learned that there were more skins earned by Tuesday Seniors than Monday Seniors. The average number of skins that were earned on the average hole on Tuesdays was 7, while the Monday average was 5. The only hole with an above average number of skins on both Monday and Tuesday was #18, the #2 handicap hole. The four holes with a below average number of skins on both Monday and Tuesday were #3, # 10, #15, and #17, which are the #15, #4, #16, and #18 handicap holes respectively. The "infrequent skin hole" on both days was a low handicap hole, while three of the four "frequent handicap holes" on both days were the higher handicap holes. Generally, the lower the handicap number of the hole, the greater number of skins are generated; the higher the handicap number of the hole, the fewer number of skins are generated.
