FEATURED ARTICLE: . . . And Justice for All!

Due to the intrusion of the "Law of Unintended Consequences" and our desire to give all Monday/Tuesday Senior Scramble players a fair chance to win prizes, we will be experimenting with some new tee positions on #2 and #18, the 2 holes which most frequently are used to settle scorecard playoffs for the Senior Scramble. Hole #2 is the #1 handicap hole and consequently the first hole we use in settling ties. So that there is a more fair yardage differential than previously between the Silver and Green tees, we will be placing the Green markers at the back of the lowest tee box and the Silver tee markers at the front of the next higher tee box, a differential of about 45 yards. Hole #18 is the #2 handicap hole and consequently the second hole we use in settling ties. So that there is a more fair yardage differential between the Silver and Green tees, we will move the green tees back from their previous location all the way across the lake, to the newly mowed tee area along the edge of the lake, which will require green tee players to cross the lake at its narrowest point, resulting in a differential of about 45 yards between Silver and Green tees. Hopefully this will lead to a more equitable resolution of ties by scorecard playoff!
