

Senior Scramble Newsletter

July 19, 2015

Issue 14

WELCOME

The Senior Scramble Newsletter is a weekly publication to keep you informed about what's going on at our Monday and Tuesday Senior Scrambles. Twice each week, Seniors 50+ can come out to play in a 2-Person Scramble. There is no league fee required and each event is \$26 per player for 18 holes with a cart; \$3 of which goes towards a contribution for the cash prize pool and \$2 towards coffee and donuts. Registration begins one hour and thirty minutes prior to tee off for the shotgun start. Upcoming shotgun start times are listed below.

Register for our E-club to receive Senior Scramble Specials each week when the Newsletter is sent out!

Bear Creek Golf Club, "Home of the Grizzly"

Monday, July 13th:

A Flight 1st Place:
Fuld/Cline
A Flight 2nd Place:
Hull/Warner

Monday, July 27th: 8am
Monday, August 3: 8am
Monday, August 10: 8am
Tuesday, July 21st: 8am
Tuesday, July 28th: 8am
Tuesday: August 4: 8am
Tuesday, August 11: 8am

FEATURED ARTICLE: Consistency in Tee Box Locations

Scarcely a week goes by when we fail to receive some constructive criticism from either the "under 70 men", the "70+ men", or the "ladies", who feel that their age or gender is at a disadvantage due to the placement of one or more of their respective tee markers on Monday or Tuesday mornings. Golf Course Superintendent, Tim Bergmann, will be assisting Golf Professional, Mark Waltman, in seeing that Monday and Tuesday Senior Scramble tee box locations for all genders and age groups will be more consistent in the future. While we are limited in many cases by how the tees are built/positioned on the course, we will make every effort to see that the course as a whole is set up as fairly as possible for our early week competitions. While some holes may favor one age or gender group to a slight extent, we will try to balance these minor inequities off over the entirety of the 18 holes. In future weeks, we will go into greater detail on the general rules we set up for tee marker location, as well as how we have dealt with individual holes which present particular problems. We thank you for your patience.
