Holiday Weekend Golf: July 1st, 2nd, 3rd, and 4th

Most of us are working so hard that we haven't had time to make plans for the holiday weekend. Well, let's put a round of golf in your plans. We are running a special: Play after 10am for just \$34.99 plus tax or after 2pm for only \$24.99 plus tax. A lot of us have grown up thinking golf is too expensive. Actually, prices have come down over the last 15 years in this area. With dynamic pricing involved you can now find low rates at off peak times so be sure to keep golf in your recreational choices for this weekend. It is a great way to spend time with your spouse, date, children, and friends. With golf being more affordable it's time to get back into the swing of things yourself and teach others the game of a lifetime. Over the years, Bear Creek has become more beginner friendly and we have worked hard on accommodating new people to our course. Things like playing 9 holes, renting clubs, driving range ball discounts for beginners, allowing riders with others playing golf if the seat is available. Our marshalls work with slower groups to help them keep up and enjoy the game. We hope you give golf a try this weekend and see all the course improvements we've made this year.

Greeting from the Maintenance Department!

The weather has warmed up nicely and with it we ramp up our zoysia sod projects. Winter took a toll on a few of our zoysia tees and as such we have had to replace sod on a few to get them back in the shape we expect them to be in. The sodded tees should be open as soon as we have decent rooting. The bentgrass tee at 6 is also filling in nicely and we have begun adding sand and rolling it to get it ready for play. No date has currently been set as to when it will be open yet. Lastly, with the 4th of July here I would like to remind those who live on the course that we are not a field for your fireworks to be shot off from. As well as enjoying the course view from your homes I hope you will report anyone on the course after dark. We get flags stolen and vandalism on the greens from time to time and need anyone who lives near the course to help us stop the pointless destruction. Thanks for playing Bear Creek and have a fun safe holiday.

Chef's Corner

Let's go to the Hop! Yeah, let's go to the Hop! We are bringing the 50's style on July 9th! Burgers, fries, and banana splits along with more will be available as well as 50's dancing and music. Please bring your appetite and dancing shoes. We had a nice turn out for our party on the patio, and I look forward to seeing some new faces. Please join us for an evening full of community fun and laughs!

Wedding Tips

1. On your rsvp cards put a line for a requested song. This way you will know what your guests want to hear.
2. Don't wear a bra the morning of your wedding. It will leave marks on your back and shoulders that will be visible in pictures.
3. Have the Photographer take a photo behind the bride, just as she is about to walk down the aisle, to capture all guests faces turned out to look at her.
4. Guests remember two things the most from weddings - the food and the music. Send them home with good memories!
5. Ask your caterer to pack some food for the two of you. Most newlyweds don't find time to eat and are starving when they get home.
6. Get a wedding planner binder. It will help you keep everything organized and it's a nice keepsake for later.
7. During your floral appointment, it may be helpful to bring in inspiration pictures and pictures of the bride and bridesmaids dresses.
8. Consider renting your wedding day jewelry. You can get the look that you dreamed of without having to spend thousands of dollars.
9. When getting your dress altered, make sure you can sit in it before they make the dress smaller.
10. ENJOY YOUR DAY! Stop for a moment, breathe, relax, and have fun!

STAFF SPOTLIGHT:

Meet Savarna Strebel

Meet Savarna Strebel. She started here at Bear Creek back in March 2017. Savarna is one of the servers here, so if you come to one of our social events and see her around, stop and say hello! She also lives in Bear Creek. Savarna is a senior out here at Holt High School. She wants to major in Biology and become a Vet Assistant when she graduates. Please help us welcome Savarna to the team!
