June 2019

June has been a month of unpredictable rain and winds. Make sure to check the forecast before scheduling tee times! If it rains in the middle of your play, no worries - just stop by the Pro Shop for a rain-check, and come play another time!

On particularly buggy days, Carl wore his citronella candle cap.

There's an easier way to get those gnats to stop bothering you during play. Regular bug spray does not work on gnats! You must use special types of spray and wipes to deter them, we sell them in the Pro-Shop! In a pinch? A bit of vanilla extract will deter those pesky bugs away, and you'll smell like a cupcake :)

Summer is Officially Here!

June 21st was the first day of summer, so there's still plenty of time to come out to Bear Creek! Join a league, stop by for Sunday Dinner, or just bring the family up for a relaxed game of golf. Summer is a slow time for golf

tournaments because of the heat, so it's a perfect time to hit the course without a crowd.

Have a great 4th of July!
